

# WANTED-By "UNCLE SAM"

## 2,000 Richmonders To Help Stamp This Out!

GERMANY is not conducting WAR, but MURDER.  
 GERMANY has violated every treaty with the United States.  
 GERMANY has lied to every one from start to finish.  
 GERMANY has ravished the women of France, Belgium, Servia, Roumania, Armenia.  
 GERMANY murdered the passengers on the Lusitania and other ships.  
 GERMANY has crucified soldiers and civilians.  
 GERMANY has wantonly defaced the living, dying and dead.  
 GERMANY has sunk hospital ships and bombed Red Cross stations.  
 GERMANY has poisoned wells and stolen things, big and little.  
 GERMANY has disclosed neither decency nor honor since starting this war.  
 GERMANY remains unblushing of its utter and complete indecency.  
 GERMANY has even inflicted compulsory polygamy upon its own virgins.

## 2,000 RICHMONDERS WANTED TO HELP STAMP THIS OUT!

### —HERE'S HOW—

When the United States Government arranged for the issue of Liberty Bonds, the amount was fixed at a certain figure, which was based upon the cash on hand and available. The Treasury knew how much money was needed. It knew how much money was on hand. It was able to estimate the amount to be derived from taxes. To this it added to amount apportioned to each city for War Savings Stamps. These figures show that the government depended upon Richmond to produce a revenue of over THREE MILLION DOLLARS from the sale of these Stamps. Richmond to-day is about TWO MILLION DOLLARS short of having the needed amount. To raise this much-needed TWO MILLION DOLLARS we are inviting 2,000 Richmonders to come to the rescue with subscriptions of \$1,000 each. The names of these good people will be published in the daily papers and a permanent record filed in the archives of the State of Virginia. Will YOUR name be there? See that it will. Call up WAR SAVINGS STAMP HEADQUARTERS, Randolph 1877, and a representative will be sent to see you and get your subscription. Or, come to Headquarters, at Tenth and Main, and sign your pledge. These stamps must be taken out and paid for by the last day of the year.

## Richmond Must Not Fail to Answer This Call

—These Richmonders Have Each Bought \$1,000 in War Saving Stamps—
